Florida PolyCon - Health and Safety Policies

Purchased Props and Weapons

Any imitation weapons or replica swords or knives must remain in the original packaging until the attendee is off the University's property. If you would like to use the purchased piece as a part of your costume the item must be presented to the weapons check desk in its original packaging. If approved, it may be used in accordance with the rules stated within the weapons policy. If the item is denied approval, then it must remain in its original packaging or it will need to be securely stored in the attendee's hotel room, vehicle or left at the weapons check desk until they leave the event. Failure to comply will result in being escorted off premises and banned from the event without refund.

Cosplay and General Dressing

It is required that all attendees wear clothing that covers at least the areas normally obscured by standard bathing suits. However, we advise you to keep in mind that this is a student run convention hosted at a local university. Since there will be students, parents, and university staff in attendance, we suggest you wear clothing with a modesty level that would be appropriate at your educational or professional institution.

Florida PolyCon does not actively discourage cosplay of any character, but we do ask that you demonstrate proper tact in your cosplay. If a character, or the show from which the character comes, seems like it may be in poor taste due to current events, we suggest you retire that cosplay for a while.

PLEASE NOTE that if you violate any of the above rules you CAN and WILL be removed from the convention. THERE ARE NO EXCEPTIONS! If you are asked by a member of Campus Security or Event Volunteers, you are required to comply with their requests or risk removal from the convention. These decisions are based on the discretion of the Events Volunteer or Campus Security you are dealing with at that exact moment. Do not think you are an exception to the rules. Use common sense. If you cannot abide by the rules, please stay home.
